*** Why do my members have to re-register if they were already participating prior to September 2008?**

The Community Contributions Program is evaluated every year and changes are considered based on the success of the program. By making a one year commitment to Ralphs, Ralphs is also making a one year commitment to you, the organization and your members. It also gives each organization an opportunity refresh their membership by spreading the word to new members and keeping the previous members informed about any changes to the program.

FOOD 4 LESS SHOPPERS: Your participation continues without re-registration but be sure to register your card online at www.Food4Less.net

**It's Easy... just shop, swipe your card & earn!
Our kids will benefit from every swipe, so thank you.**
